WORK EXPERIENCE

AsianLife & General Assurance | 3/F MorningStar, Sen. Gil Puyat Ave., Makati

FVP - Chief Actuary & Deputy CFO

May 2017 – Present

As Chief Actuary, I oversee a team handling product development and pricing for group and individual life insurance, valuation of life and non-life insurance liabilities, monitoring of product profitability and experience. As Deputy CFO, I coordinate budget preparation and earnings analysis, and sit on the management Claims, Investments, and Group Advisory committees.

Allianz PNB Life Insurance Inc. | 9/F Allied Bank Center, Ayala Avenue, Makati

VP & Chief Actuary

April 2010 – March 2017

As Chief Actuary, I led the actuarial department in charge of product development and valuation of insurance liabilities. I was also the primary point of contact during the sale process of a 51% ownership stake in PNB Life and provided technical support and advice to PNB regarding the terms of the sale to Allianz.

Senior Manager, Actuarial September 2005 – March 2007 (prior stint with same co.)

As Actuarial Head, I supervised a team of 3 managers and 2 analysts also handling product development and valuation, as well as support to sales and operations.

Manulife Philippines | 16/F LKG Tower, Ayala Avenue, Makati

AVP for Actuarial Finance***April 2007 – January 2010***

In this role of Valuation Actuary, I managed a team of 3 managers and 3 analysts in the valuation of insurance and policy liabilities under local statutory and Canadian GAAP reporting. Together with the Accounting team, we prepared financial reports for four legal entities: 3 licensed life insurers and 1 pre-need company.

University of the Philippines – Institute of Mathematics | Diliman, Quezon City

Lecturer for Actuarial Mathematics (post-graduate program; part-time) June 2008 –***March 2012 Instructor (undergraduate level; full-time) November 1996 – October 1997***

Philam Plans (now PhilPlans) | 16/F LKG Tower, Ayala Avenue, Makati

Sr. Manager for Product Development***July 2004 – August 2005***

In this role, I supervised pre-need product pricing and registration of securities to SEC.

Zurich Life | 28/F Petron Megaplaza, Sen. Gil Puyat Ave., Makati

Actuarial Manager***November 2002 – July 2004******Actuarial Associate******September 2001 – October 2002***

Handled various corporate actuarial work under the Chief Actuary; later reporting directly to CEO after our actuary resigned. Aside from the valuation of life insurance liabilities, my area also prepared the IBNR claims liabilities for Zurich Gen.

Lincoln National Life | Hartford CT, USA

Actuarial Analyst June 2000 – July 2001

1-year training related to my graduate degree, as allowed under the US F-1 student visa

Sun Life Financial | 8/F Salustiana D. Ty Tower, Paseo de Roxas, Makati

Actuarial Analyst June 1998 – August 1999***Actuarial Assistant December 1997 – May 1998***

Provided valuation support for SL Indonesia and prepared custom proposals for agents.
